CANDIDATE STATEMENT

I want to be your State Master Councilor for the 2020-2021 year because of my passion for DeMolay and my desire to see Virginia DeMolay grow and flourish. I have learned a lot while working with Noah in the past year as your Deputy State Master Councilor and I want to carry the lessons I have learned and translate them into even more service to our order so that we can continue to make DeMolay great together. I love all of my DeMolay brothers in Virginia and I am excited to be able to have the opportunity to work with all of you and learn from all of you in this upcoming year.
